

## Grain Options

Course Brook Farm provides up to **six** quarts of grain per horse per day. The cost for grain above six quarts per day will be billed to customers on a monthly basis. The charge is based on the actual cost of the product and amount to be fed over and above the six quart per day maximum. The following brands of grain are offered:

Brand	Description
<b>Pennfield Fibergized</b>	A high fat textured feed low in non-structural carbohydrates.
<b>Nutrena ProForce Fuel</b>	A high fat, controlled starch feed for equine athletes and hard keepers.
<b>Nutrena Empower Balance</b>	A concentrated nutrition supplement to balance grass hay or forage diets.
<b>Nutrena Safe Choice Original</b>	A proven controlled starch formula for all life stages.
<b>Nutrena Safe Choice Special Care</b>	Low, controlled starch formula for horses with metabolic concerns and easy keepers.
<b>Nutrena Safe Choice Senior</b>	A high fat, controlled starch, complete feed to meet the unique needs of senior horses.
